Careers in Education Begin at Olentangy Schools' Teacher Academy

Thinking about a career in teaching? Olentangy juniors and seniors have the unique opportunity to explore a career path in education at the district's Teacher Academy. Teacher Academy offers first-hand experience in real classrooms with a committed mentor teacher and a community of supportive classmates and teachers. Everyone at Teacher Academy has a passion for teaching!

How it works:

- You're placed with an Olentangy elementary or middle school teacher for a year of mentorship and hands-on learning.
- Earn college credit in an Education major! You complete a portfolio of your teaching experiences and use it towards course credit at one of the Ohio public universities.
- You learn the foundations of teaching theory and practice and explore the most important topics in Education today.
